LLOYD'S AGENCY

CESAM

ANNOUNCEMENT

Insight is delighted to announce its appointment by the American Institute of Marine Underwriters ("AIMU") as its Correspondent exclusively for Singapore.

For over 100 years, AIMU (headquartered in New York) has established a worldwide network of Correspondents to help its members and their clients in handling claims with speed and efficiency.

AIMU prides itself as the forum for action on significant issues that affect not only U.S. marine insurers and reinsurers but also the international trading community as it is heard by lawmakers, regulators and international bodies.

This appointment (together with that of Lloyd's Agent, CESAM [France] Average Agent and as the Asia Regional Office for vrs universe adjusters' network LLC) is a further accreditation of the integrity and the capability of the Insight Group to serve its clients anywhere in the world.

Please accept our heartfelt thanks for your unstinting support over the past 12 years which has made this appointment possible.

May we look forward to earning your continued support in handling surveys on both your regional and global marine and non-marine books of business.
